

A BIBLIOGRAPHY OF THE WORK OF SIR DAVID BRUCE, 1887-1924

COMPILED BY

M. DAVIES

Librarian, Royal Army Medical College

ANY additions or amendments to this list would be gratefully acknowledged. They may be addressed to either the College Librarian or the Editor of this JOURNAL, at the Royal Army Medical College, Millbank, London, S.W.1.

1. A Nest Hunt among the Grampians. *Good Words* (1887), 28, 306-310. (Weekly magazine, Norman McLeod, Edinburgh.)
2. Note on the Discovery of a Micro-organism in Malta Fever. *Practitioner* (1887), 39, 161-170.
3. The Micrococcus of Malta Fever. *Practitioner* (1888), 40, 241-249.
4. On the Epidemic of Cholera in Malta during 1887. *Trans. Epidemiological Soc. Lond.* (1888-9), 8, 1-19.
5. Observations on Malta Fever. *Brit. Med. J.* (1889), 1, 1101.
6. An article in *Riforma Medica*. 1889. 1st Semestre, p. 811.
7. (With W. F. Stevenson.) A New Method of Injecting Fluids into the Peritoneal Cavity of Experimental Animals. *Brit. Med. J.* (1891), 1, 1224.
8. On the Etiology of Malta Fever. *Army Med. Dept. Report for 1890* (1892), 32, 365.
9. Sur une Nouvelle Forme de Fièvre Rencontrée sur les Bords de la Méditerranée. *Ann. Inst. Pasteur.* (1893), 7, 289.
10. (With M. L. Hughes and — Fazio.) La Febbre Mediteranea e le Febbricola Nostrana. *Revista Internazionale d'Igiene* (1893), No. 10, 394. (Also in *Riforma Medica*, 1893, Nos. 1 and 3.)
11. Malta Fever. Article in Davidson's *Hygiene and Diseases of Warm Climates*. Edinburgh (1893), p. 1265.
12. (With A. E. Wright.) On Haffkine's Method of Vaccination against Asiatic Cholera. *Brit. Med. J.* (1893), 1, 227.
13. (With A. E. Wright.) A Note on the Staining Reactions of Leucocytes. *Brit. Med. J.* (1893), 1, 400.
14. (With M. L. Hughes and S. Westcott.) Notes on Mediterranean or Malta Fever. *Brit. Med. J.* (1893), 2, 58-62.
15. On the Disappearance of the Leucocytes from the Blood, after Injection of Peptone. *Proc. Roy. Soc.* (1894), 55, 295.
16. Malta Fever. Article in Quain's *Dictionary of Medicine* (1894), 2, 10.
17. Two Albums of Photographs. Ubombo, Zululand, 1894-1896. (In R.A.M. College Library.)
18. Preliminary Report on the Tsetse Fly Disease or Nagana in Zululand. Pp. 18, 7 pl. Durban: Bennet and Davis. 1895.
19. Ngana or Tsetse Fly Disease. Durban: Benet and Davis. 1896.
20. Further Reports on Tsetse Fly Disease or Nagana in Zululand. London: Harrison. 1896.

21. Malta Fever. In *20th Cent. Pract.* New York (1898), 14, 553-581.
22. Diary, 4th May, 1900, to 20th August, 1900, while with the 3rd Mounted Brigade Field Hospital. South Africa. (In R.A.M. College Library.)
23. Report of the Commission on the Nature, Pathology, Causation, and Prevention of Dysentery and its Relationship to Enteric Fever. Aug., 1900. (In 3 parts, Comd. Paper 1498, 1903.) Pt. 1 by Sir D. Bruce. Etiology of South African Dysentery.
24. Note on Discovery of a New Trypanosoma. (Read 27th Feb., 1902.) *Proc. Roy. Soc.* (1901-1902), 69, 496.
25. Note on the Discovery of a New Trypanosoma. *Lancet* (1902), 1, 664.
26. Asylum Dysentery. (Epidemiological Society.) *Brit. Med. J.* (1902), 1, 397.
27. The Infective Agent of South African Horse Sickness. *Brit. Med. J.* (1902), 2, 1188-1189.
28. (With D. Nabarro.) Progress Report on Sleeping Sickness in Uganda. *Roy. Soc. Repts. of the Sleeping Sickness Commission* (1903), No. 2. (Several of Bruce's papers, printed in *Proc. Roy. Soc.*, and so entered in this list, were reprinted in the *Repts. Sleeping Sickness Commission*, 1903-1914.)
29. The Nomenclature of Malaria; a Suggestion. *Brit. Med. J.* (1903), 1, 15.
30. Also *Lancet* (1903), 1, 131.
31. (With D. Nabarro and E. D. W. Greig.) Further Report on Sleeping Sickness in Uganda. *Repts. Sleeping Sickness Commn.*, Nov., 1903, No. 4.
32. (With D. Nabarro and E. D. W. Greig.) The Etiology of Sleeping Sickness (in Uganda); the Trypanosome and its Insect Carrier. *Brit. Med. J.* (1903), 2, 1343-1350.
33. Reports on Bruce's Lectures. *Lancet* (1904), 2, 340, 463, 614 and 617.
34. Dum-dum Fever. *J. Roy. Army Med. Cps.* (1904), 2, 207-209.
35. Military Plague Hospital, Maitland, Cape Town. *J. Roy. Army Med. Cps.* (1904), 2, 292-296, 1 pl.
36. Malta Fever. *J. Roy. Army Med. Cps.* (1904), 2, 483-502.
37. Sleeping Sickness in Uganda. *J. Roy. Army Med. Cps.* (1904), 3, 17-41, 4 pl., 2 maps.
38. On Trypanosomiasis. *Brit. Med. J.* (1904), 2, 367-369. (Discussion, 378.)
39. Also *J. Trop. Med.* (1904), 7, 250-252.
40. Analysis of the Results of Professor Wright's Method of Anti-typhoid Inoculation. *J. Roy. Army Med. Cps.* (1905), 4, 241-255.
41. Sleeping Sickness in Uganda. *Notices Proc. Roy. Inst. Gt. Brit.* 1902-1904. Lond. (1906), 17, 510-518. 2 pl., 1 ch., 4 maps.
42. South African Stock Diseases. *J. Roy. Army Med. Cps.* (1906), 7, 22-30.
43. The Advance in our Knowledge of the Causation and Methods of Prevention of Stock Diseases in South Africa during the Last Ten Years. *Rep. Brit. Ass. Adv. Sci.* London (1906), 75, 533-547.
44. Recent Researches into the Epidemiology of Malta Fever. *Trans. Epidemiological Soc. Lond.* (1906-1907), 24, 78-98.
45. Recent Researches into the Epidemiology of Malta Fever. *J. Roy. Army Med. Cps.* (1907), 8, 225-235.
46. Trypanosomiasis. In Osler's *Modern Medicine* (Philadelphia and New York) (1907), 1, 460-487. 1 pl.
47. Malta Fever. *ibid.*, 3, 17-28.
48. The Extinction of Malta Fever. *Nature, Lond.* (1908), 78, 39-42.

49. (With H. R. Bateman.) Have Trypanosomes an Ultra-microscopical Stage in their Life-history. *Proc. Roy. Soc. (B)* (1908), **80**, 394-398.
50. Also *J. Trop. Vet. Sci. Calcutta* (1909), **4**, 181-188.
51. (With A. E. Hamerton and H. R. Bateman.) A Trypanosome from Zanzibar. *Proc. Roy. Soc. (B)* (1909), **81**, 14-30. 2 pl.
52. Also *J. Roy. Army Med. Cps.* (1909), **13**, 1-17. 2 pl.
53. The 1908 Sleeping Sickness Commission of the Royal Society. *J. Roy. Army Med. Cps.* (1909), **12**, 421-433.
54. (With A. E. Hamerton, H. R. Bateman and F. P. Mackie.) *Trypanosoma ingens*. *Proc. Roy. Soc. (B)* (1909), **81**, 323. 1 pl.
55. (With A. E. Hamerton and H. R. Bateman.) The Development of *Trypanosoma gambiense* in *Glossina palpalis*. *ibid.*, 405-414. 3 pl.
56. (With A. E. Hamerton and H. R. Bateman.) A Note on the Occurrence of a Trypanosome in the African Elephant. *ibid.*, 414-416.
57. Sleeping Sickness in Uganda. Duration of the Infectivity of the *Glossina palpalis* after the Removal of the Lake-shore Population. *Proc. Roy. Soc. (B)* (1910), **82**, 56-63.
58. Also *J. Roy. Army Med. Cps.* (1910), **15**, 133-139.
59. (With A. E. Hamerton, H. R. Bateman and F. P. Mackie.) *Glossina palpalis* as a Carrier of *Trypanosoma vivax* in Uganda. *Proc. Roy. Soc. (B)* (1909-1910), **82**, 63-77.
60. (With A. E. Hamerton, H. R. Bateman and F. P. Mackie.) Amakebe ; a Disease of Calves in Uganda. *Proc. Roy. Soc. (B)* (1910), **82**, 256-272. 1 pl.
61. Also *J. Roy. Army Med. Cps.* (1910), **14**, 467-486. 1 pl.
62. (With the Earl of Cromer.) The Advancement of Medicine by Research. *Lancet* (1910), **1**, 1635-1638.
63. (With A. E. Hamerton, H. R. Bateman and F. P. Mackie.) Trypanosome Diseases of Domestic Animals in Uganda. I. *Trypanosoma pecorum*. *Proc. Roy. Soc. (B)* (1910), **82**, 468-479. 2 pl.
64. Also *J. Roy. Army Med. Cps.* (1911), **17**, 1-12.
65. Experiments to Ascertain if Cattle may Act as a Reservoir of the Virus of Sleeping Sickness (*Trypanosoma gambiense*). *Proc. Roy. Soc. (B)* (1910), **82**, 480-484.
66. (With A. E. Hamerton, H. R. Bateman and F. P. Mackie.) "Muhingo" : a Disease of Natives in Uganda. *ibid.* (1910), **82**, 485-490.
67. Also *J. Roy. Army Med. Cps.* (1910), **15**, 527-532.
68. (With A. E. Hamerton, H. R. Bateman and F. P. Mackie.) The Natural Food of *Glossina palpalis*. *ibid.*, 490-497.
69. Also (abstr.) *J. Trop. Med. Hyg.* (1910), **13**, 265.
70. Also *J. Roy. Army Med. Cps.* (1911), **17**, 123-130.
71. Mechanical Transmission of Sleeping Sickness by the Tsetse Fly. *Proc. Roy. Soc. (B)* (1910), **82**, 498-501.
72. A Trypanosome from Zanzibar. *Rep. Sleeping Sickness Comm. Roy. Soc.* (1910), **10**, 12-27. 2 pl.
73. *Trypanosoma inglis*. *ibid.*, 27-29. 1 pl.
74. Discussion on Human Trypanosomiasis. *Brit. Med. J.* (1910), **2**, 864-866.
75. Bruce *et al.* Discussion on Sleeping Sickness (abstr.). *J. Trop. Med. Hyg.* (1910), **13**, 236.

76. (With A. E. Hamerton, H. R. Bateman and F. P. Mackie.) The Development of Trypanosomes in Tsetse Flies. *J. Roy. Army Med. Cps.* (1910), 15, 422-443.
77. Malta Fever in Uganda. (Annotation.) *Lancet* (1910), 2, 842-843.
78. B.M.A.—Tropical Medicine. 27th July, 1910. Col. Sir D. Bruce opened discussion on Human Trypanosomiasis. *Lancet* (1910), 2, 408-409.
79. United Services Med. Soc. President, Col. Sir D. Bruce. "Soldier's Heart." President's Remarks. *Lancet* (1910), 2, 1279 and 1281.
80. The Extinction of Malta Fever (written at the request of the Research Defence Society). Research Defence Society, London (leaflet) (1910), pp. 197-216. Chart, illus.
81. Malingering. *Brit. Med. J.* (1910), 2, 1721.
82. (With A. E. Hamerton, H. R. Bateman and F. P. Mackie.) Trypanosome Disease of Domestic Animals in Uganda. II, *Trypanosoma brucei* (Plimmer and Bradford). III, *Trypanosoma vivax* (Ziemann). *Proc. Roy. Soc. (B)* (1910-11), 83, 1-14, 2 pl., and 15-27, 3 pl.
83. Also *J. Trop. Vet. Sci. Calcutta* (1911), 6, 468-491. 2 pl.
84. Cattle Trypanosomiasis. *Brit. Med. J.* (1911), 1, 624.
85. (With A. E. Hamerton, H. R. Bateman and F. P. Mackie.) Trypanosome Disease of Domestic Animals in Uganda. IV, *Trypanosoma uniforme*. V, *Trypanosoma nanum* (Laveran). *Proc. Roy. Soc. (B)* (1911), 83, 176, 1 pl.; 180, 2 pl.
86. Also *J. Roy. Army Med. Cps.* (1912), 18, 264-267.
87. Also *J. Trop. Med. Hyg. Lond.* (1911), 14, 17, 33.
88. Report on the Present Condition of Ismailia as regards Malarial Fever. *J. Roy. Army Med. Cps.* (1911), 16, 402-407.
89. The Extinction of Malta Fever. *Notices Proc. Roy. Inst. Gt. Brit.* (1908). London (1911), 19, Pt. 1, 14-26.

91. Also *J. Trop. Med. Hyg. Lond.* (1911), 14, 65-72.
92. (With A. E. Hamerton and H. R. Bateman.) Experiments to Ascertain if the Domestic Fowl of Uganda may Act as a Reservoir of Sleeping Sickness (*Trypanosoma gambiense*). *Proc. Roy. Soc. (B)* (1910-11), 83, 328-334.
93. Also *J. Trop. Med. Hyg. Lond.* (1911), 14, 97-99.
94. (With A. E. Hamerton, H. R. Bateman and R. van Someren.) Experiments to Investigate the Infectivity of *Glossina palpalis* Fed on Sleeping Sickness Patients under Treatment. *Proc. Roy. Soc. (B)* (1910-11), 83, 338-344.
95. (With A. E. Hamerton, H. R. Bateman and F. P. Mackie.) Experiments to Ascertain if *Trypanosoma gambiense* during its Development within *Glossina palpalis* is Infectious. *ibid.*, 345-348.
96. (With A. E. Hamerton and H. R. Bateman.) Experiments to Ascertain if Certain Tabanidæ Act as the Carriers of *Trypanosoma pecorum*. *ibid.*, 349-358. 1 pl.
97. (With A. E. Hamerton, H. R. Bateman and F. P. Mackie.) Further Researches on the Development of *Trypanosoma gambiense* in *Glossina palpalis*. *ibid.*, 513-527.
98. Also *J. Trop. Med. Hyg. Lond.* (1911), 14, 196-204.
99. The Morphology of *Trypanosoma evansi*. *Proc. Roy. Soc. (B)* (1911), 84, 181-187.

100. (With A. E. Hamerton, H. R. Bateman, F. P. Mackie and Lady Bruce.) Sleeping Sickness Investigations in Uganda. *Sleeping Sickness Bureau Bull.*, London (1911), 3, 437-449.
101. The Morphology of *Trypanosoma gambiense* (Dutton). *Proc. Roy. Soc. (B)* (1911-12), 84, 327-332. 1 pl.
102. (With D. Harvey, A. E. Hamerton, J. B. Davey and Lady Bruce.) The Morphology of the Trypanosome Causing Disease in Man in Nyasaland. *Proc. Roy. Soc. (B)* (1912), 85, 423-433. 2 pl.
103. Also *J. Roy. Army Med. Cps.* (1913), 20, 542-552. 1 pl.
104. (With D. Harvey, A. E. Hamerton, J. B. Davey and Lady Bruce.) The Morphology of *Trypanosoma simiae* sp. nov. *Proc. Roy. Soc. (B)* (1912), 85, 477-481. 1 pl.
105. (With D. Harvey, A. E. Hamerton, J. B. Davey and Lady Bruce.) The Trypanosomes Found in the Blood of Wild Animals Living in the Sleeping Sickness Area, Nyasaland. *Proc. Roy. Soc. (B)* (1913), 86, 269-277.
106. Also *J. Roy. Army Med. Cps.* (1913), 21, 561-569.
107. (With D. Harvey, A. E. Hamerton, J. B. Davey and Lady Bruce.) Trypanosome Diseases of Domestic Animals in Nyasaland, II. *Trypanosoma caprae* (Kleine). *ibid.*, 278-284.
108. (With D. Harvey, A. E. Hamerton and Lady Bruce.) Morphology of Various Strains of the Trypanosome Causing Disease in Man in Nyasaland. I, The Human Strain. *ibid.*, 285-302.
109. Also *J. Roy. Army Med. Cps.* (1913), 21, 421-438.
110. (With D. Harvey, A. E. Hamerton and Lady Bruce.) Morphology of the Various Strains of the Trypanosome Causing Disease in Man in Nyasaland; the Wild Game Strain. *Proc. Roy. Soc. (B)* (1913), 86, 394-407.
111. Also *J. Roy. Army Med. Cps.* (1914), 22, 152-163.
112. (With D. Harvey, A. E. Hamerton and Lady Bruce.) Morphology of Various Strains of the Trypanosome Causing Disease in Man in Nyasaland; the wild *Glossina morsitans* strains. *ibid.*, 408-421.
113. (With D. Harvey, A. E. Hamerton and Lady Bruce.) Infectivity of *Glossina morsitans* in Nyasaland. *ibid.*, 422-426.
114. (With D. Harvey, A. E. Hamerton and Lady Bruce.) Trypanosome Diseases of Domestic Animals in Nyasaland, III. *Trypanosoma pecorum*. *Proc. Roy. Soc. (B)* (1913), 87, 1-26.
115. (With D. Harvey, A. E. Hamerton and Lady Bruce.) Morphology of Various Strains of the Trypanosome Causing Disease in Man in Nyasaland; the Mzimba strain. *ibid.*, 26-35. 3 pl.
116. (With D. Harvey, A. E. Hamerton and Lady Bruce.) The Trypanosome Causing Disease in Man in Nyasaland; Susceptibility of Animals to the Human Strain. *ibid.*, 35-45.
117. (With D. Harvey, A. E. Hamerton and Lady Bruce.) *Plasmodium cephalophi*, sp. nov. *ibid.*, 45-47. 2 pl.
118. (With D. Harvey, A. E. Hamerton and Lady Bruce.) Trypanosomes of the Domestic Animals in Nyasaland, I. *Trypanosoma simiae*, sp. nov. Pt. II, The Susceptibility of Various Animals to *T. simiae*. *ibid.*, 48-57.
119. (With D. Harvey, A. E. Hamerton and Lady Bruce.) Trypanosome Diseases of Domestic Animals in Nyasaland. I, *Trypanosoma simiae*, sp. nov., Pt. III. *ibid.*, 58-66. 3 pl.

120. Also *J. Roy. Army Med. Cps.* (1914), **22**, 487-498.
121. Also *Vet. J. Lond.* (1914), **70**, 335-346.
122. (With A. E. Hamerton, D. P. Watson and Lady Bruce.) Description of a Strain of *Trypanosoma brucei* from Zululand. I, Morphology. *Proc. Roy. Soc. (B)* (1914), **87**, 493-510. 3 pl.
123. Also *J. Roy. Army Med. Cps.* (1914), **23**, 273-291.
124. (With A. E. Hamerton, D. P. Watson and Lady Bruce.) Description of a Strain of *Trypanosoma brucei* from Zululand. Part II, Susceptibility of Animals. *ibid.*, 511-516.
125. Also *J. Roy. Army Med. Cps.* (1914), **23**, 410-414.
126. (With A. E. Hamerton, D. P. Watson and Lady Bruce.) The Trypanosome Causing Disease in Man in Nyasaland. Part III, Development in *Glossina morsitans*. *ibid.*, 516-525. 1 pl.
127. Also *J. Roy. Army Med. Cps.* (1914), **23**, 569-578.
128. (With A. E. Hamerton, D. P. Watson and Lady Bruce.) Description of *Trypanosoma brucei* from Zululand. Part III, Development in *Glossina morsitans*. *ibid.*, 526-531. 1 pl.
129. (With A. E. Hamerton, D. P. Watson and Lady Bruce.) *Glossina brevipalpis* as a Carrier of Trypanosome Disease in Nyasaland. *Proc. Roy. Soc. (B)* (1914), **88**, 20-32. 1 pl.
130. (With A. E. Hamerton, D. P. Watson and Lady Bruce.) Trypanosome Diseases of Domestic Animals in Nyasaland. III, *Trypanosoma pecorum*. Development in *Glossina morsitans*. *ibid.*, 33-37. 1 pl.
131. (With A. E. Hamerton, D. P. Watson and Lady Bruce.) Trypanosomes Found in Wild *Glossina morsitans* and Wild Game in the "Fly Belt" of the Upper Shire Valley. *ibid.*, 38-41.
132. (With A. E. Hamerton, D. P. Watson and Lady Bruce.) The Food of *Glossina morsitans*. *ibid.*, 41-42.
133. (With A. E. Hamerton, D. P. Watson and Lady Bruce.) Infectivity of *Glossina morsitans* in Nyasaland during 1912 and 1913. *ibid.*, 43-48.
134. (With A. E. Hamerton, D. P. Watson and Lady Bruce.) Trypanosome Diseases of Domestic Animals in Nyasaland, *Trypanosoma capræ* (Kleine). Part III, Development in *Glossina morsitans*. *ibid.*, 92-96. 1 pl.
135. (With A. E. Hamerton, D. P. Watson and Lady Bruce.) The Trypanosome Causing Diseases in Man in Nyasaland; the Liwonde Strain. Part I, Morphology. Part II, Susceptibility of Animals. *ibid.*, 97-111.
136. (With A. E. Hamerton, D. P. Watson and Lady Bruce.) The Trypanosome Causing Disease in Man in Nyasaland; the Naturally Infected Dog Strain. Part I, Morphology. Part II, Susceptibility of Animals. *ibid.*, 111-130, 3 pl.; and 130-138.
137. (With A. E. Hamerton, D. P. Watson and Lady Bruce.) Morphology of Various Strains of the Trypanosomes Causing Disease in Man in Nyasaland. The Human Strain. *Proc. Roy. Soc. (B)* (1914), **88**, 190-205.
138. (With A. E. Hamerton, D. P. Watson and Lady Bruce.) The Trypanosome Causing Disease in Man in Nyasaland. II, The Wild-game Strain. III, The Wild *Glossina morsitans* Strain. Part II, Susceptibility of Animals. *ibid.*, 205-212.

139. (With A. E. Hamerton, D. P. Watson and Lady Bruce.) The Trypanosome Causing Disease in Nyasaland. The Naturally Infected Dog Strain. Part III, Development in *Glossina morsitans*. *ibid.*, 213-218.
140. (With A. E. Hamerton, D. P. Watson and Lady Bruce.) The Trypanosome Causing Disease in Man in Nyasaland. The Naturally Infected Dog Strain. Part IV, Experiments on Immunity. *ibid.*, 219-226.
141. Classification of the African Trypanosomes Pathogenic to Man and Domestic Animals. *Trans. Soc. Trop. Med. & Hyg.* (1914-1915), 8, 1-39.
142. Sleeping Sickness (Trypanosomiasis). *Am. Med.*, Burlington, Vt. and N.Y. (1914), N.S., 9, 727-733.
143. Croonian Lectures on Trypanosomes Causing Disease in Man and Domestic Animals in Central Africa. *Brit. Med. J.* (1915), 1, 1073 ; and 2, 5 and 49.
144. Also *Lancet* (1915), 1, 1323 ; and 2, 1, 91 and 109.
145. Trypanosomes Causing Diseases in Man and Domestic Animals in Central Africa (abstr.). *Nature (Lond.)* (1915), 95, 659-664.
146. Analysis of Cases of Tetanus Treated in Home Military Hospitals, from August, 1914, to August, 1915. *Brit. Med. J.* (1915), 2, 593-596.
147. Also *Lancet* (1915), 2, 901-904.
148. Also *J. Roy. Army Med. Cps.* (1915), 25, 534-545.
149. Also *Brit. Dent. J.* (1916), 37 (War Suppl.), 391.
150. Cases of Tetanus Treated in Home Military Hospitals, from 1st August, 1915, to 31st July, 1916. *Lancet* (1916), 2, 929-932.
151. The Importance of the Early Prophylactic Injection of Antitetanic Serum in "Trench Foot." *Brit. Med. J.* (1917), 1, 48.
152. Note on the Incidence of Tetanus among Wounded Soldiers. *Brit. Med. J.* (1917), 1, 118.
153. An Analysis of Cases of Tetanus Treated in Home Military Hospitals. *Lancet* (1917), 1, 986-989.
154. Fourth Analysis of Cases of Tetanus Treated in Home Military Hospitals during part of October, November and part of December, 1916. *Lancet* (1917), 2, 411-414.
